21. DISCLAIMER OF LIABILITY

21.1 GENERAL

A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. It is for the boat to decide whether she is fit to sail the conditions in which she will find herself. By launching or going to sea, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, patrol boats and beach masters. The provision of patrol boats does not relieve the boat of her responsibilities.

21.2 INSURANCE

No boat shall race unless the boat is currently insured for third party risks to the minimum sum of £3,000,000 per incident (or its equivalent in any other currency) and such insurance shall be valid for the helmsperson who will be racing her.

ATTACHMENT A

SHORELINE AND PROHIBITED AREA

- 1) Boats which are racing are prohibited from entering the Club and North Bay mooring areas, which are defined as lying inside a line joining the outer moorings or moored boats extended at each end directly to the shore
- 2) The prohibited area is an obstruction for the purpose of RRS Rule 18 and 19.
- 3) Competitors shall be aware that the lake is used by pleasure steamers on a regular basis, whose manoeuvrability is limited.
- 4) Competitors shall familiarize themselves with the locations of shallows and reefs. These will be indicated at the Competitor Briefing.
- 5) The Race Committee will monitor the prohibited area and may disqualify any boat seen infringing this Instruction without a hearing (although any boat disqualified may seek redress under rule 60.1).
- 6) The Race Committee may direct a patrol boat to monitor the rule if he deems it necessary
- 7) A boat infringing the prohibited area may also be liable to other penalties under RRS Rule 69 -Gross Misconduct).
- 8) This is a variation to the Racing Rules of Sailing as the Race Committee does not have to raise a protest against a boat seen infringing this rule, in order to disqualify them from the results of that race.
